**Q.2 Read the following passage and answer the questions given at the end. (06)**

We live in an age of wonders and miracles. It has been called the ‘Age of Science’, and different aspects of our life that changed in the preceding centuries have been attributed to science. This is completely true, but it is only one side of the coin. The flip side is that as we have advanced more in the field of technology, something fundamental to humanity has been left behind. Values such as empathy and concern for our fellow human beings are gradually being eroded due to the onslaught of our ever-evolving lifestyles, aided by the marvels of technological advancements.

1. Why is this age called the “ Age of Science”?
